

Conservation Strategy Workgroup
Agenda
May 30, 2007
10:00-12:00pm

Purpose: Review and discussion of expanded descriptions of the four Conservation Strategy (CS) Options.

Expected Outcome: Revise CS Options descriptions, as necessary, and recommend the CS Options descriptions to Steering Committee as the four CS Options to carry forward for analysis. Provide direction to SAIC on approach to analysis of CS Options.

Agenda:

1. Introductions—Chair
2. Meeting purpose—Chair/SAIC
3. Overview of CS Options Descriptions—Hanson, Cylinder
4. Discussion of CS Options Descriptions and revisions, as necessary—Group
5. Recommended CS Options and Guidance to Consultants—Chair/Group
6. Next steps and meetings—Chair
